Company Name : **MALAYSIAN PACIFIC INDUSTRIES BERHAD**
Stock Name : **MPI**
Date Announced : **24/03/2010**

Type : **Announcement**
Subject : **AMKOR'S COMPLAINT**

Contents : We refer to Malaysian Pacific Industries Berhad ("MPI")'s announcement dated 19 February 2010 in connection with the on-going patent litigation between Carsem (M) Sdn Bhd, Carsem Semiconductor Sdn Bhd (now known as Recams Sdn Bhd) and Carsem Inc. (collectively referred to as "Carsem") and Amkor Technology, Inc ("Amkor") in the International Trade Commission ("ITC") in Washington, D.C.

MPI now writes to inform that following the ITC's Notice of Reversal and Remand that was issued in February 2010, the Administrative Law Judge ("ALJ") had, on 22 March 2010 (Washington D.C. time), issued a Supplemental Initial Determination (ID) in which the ALJ determined that all of Amkor's asserted patent claims are invalid, not infringed, and/or not enforceable at the ITC, and that Carsem had not violated Section 337 of the Tariff Act by importing the Micro Leadframe Package (MLP) products which Amkor had accused of infringement.

The ALJ's Supplemental ID will be reviewed by the full ITC, which is scheduled to render a final determination by 20 July 2010.

This announcement is dated 24 March 2010.
