Dear Sir/Madam

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the Company's AGM held on 29 October 2015, the Company obtained mandate from its shareholders for the MPI Group to enter into recurrent related party transactions of a revenue or trading nature, which are necessary for the day-to-day operations with related parties. The said mandate shall, in accordance with the Main Market Listing Requirements, expire at the conclusion of the forthcoming AGM of the Company to be held on Tuesday, 25 October 2016 at 2.00 p.m. ("Said AGM"), unless it is renewed at the Said AGM.

In connection thereto, on 26 September 2016, the Company announced that your Directors propose to seek shareholders' approval for the Proposed Renewal of Shareholders' Mandate at the Said AGM.

The purpose of this Circular is to provide you with the details of the Proposed Renewal of Shareholders' Mandate and to seek your approval for the proposed ordinary resolution pertaining to the Proposed Renewal of Shareholders' Mandate to be tabled at the Said AGM.

The Notice of the Said AGM together with the Form of Proxy are set out in the 2016 Annual Report of MPI, which is despatched together with this Circular.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provisions under the Main Market Listing Requirements

Paragraph 10.09(2) of the Main Market Listing Requirements provides that a listed issuer may seek a mandate from its shareholders for related party transactions which are recurrent, of a revenue or trading nature and which are necessary for the day-to-day operations of a listed issuer or its subsidiaries ("RRPT") subject to, inter-alia, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Main Market Listing Requirements;
- (c) the listed issuer's circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain the shareholder mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer exceeds the estimated value of the RRPT disclosed in the circular to shareholders by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholder mandate pursuant to the above, the provisions of paragraph 10.08 of the Main Market Listing Requirements will not apply with regard to transactions as detailed in Section 2.3 of this Circular.

The Company proposes to seek the Proposed Renewal of Shareholders' Mandate from its shareholders for the MPI Group to enter into transactions with related parties which are of a revenue or trading nature and necessary for the day-to-day operations on terms not more favourable to the related parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders.

The Proposed Renewal of Shareholders' Mandate, if approved at the Said AGM, will take immediate effect upon the conclusion of the Said AGM and will continue to be in force until the conclusion of the next AGM of the Company or until the expiration of the period within which the next AGM is required by law to be held (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act), unless revoked or varied by the Company in a general meeting, whichever is the earlier.

2.2 Classes of related parties

Shareholders' approval is sought for the Proposed Renewal of Shareholders' Mandate involving recurrent related party transactions which are carried out by companies within the MPI Group with HLCM (a major shareholder of MPI through HLMG) and persons connected with HLCM ("Hong Leong Group") as listed in Appendix II of this Circular.

The details of shareholdings of HLCM and HLMG in MPI are set out in Section 5 of this Circular.

2.3 Nature of recurrent related party transactions contemplated

MPI is principally an investment holding company whilst the principal activities engaged by its subsidiaries are that of manufacturing, assembling, testing and sale of integrated circuits, semiconductor devices, electronic components and leadframes to customers worldwide. Details of subsidiaries of MPI undertaking these activities are set out in Appendix III of this Circular.

The Hong Leong Group is also involved in a diverse range of industries including, inter-alia, manufacturing, procuring and assembling of motorcycles, scooters, motorcycle engines and related parts and products; distribution of motorcycles and motorcycle components; provision of maintenance and repair services for motorcycles; manufacturing and sale of ceramic tiles; provision of research and development services for motorcycles and ceramic tiles; distribution of building materials; manufacturing and sale of newsprint and related paper products; manufacturing, sale and distribution of fibre cement and concrete roofing products; manufacturing and sale of cement and cement related products, and concrete and concrete related products; provision of research and development services for concrete and cement products; design, manufacturing and supply of furniture; interior design fit-out works; manufacturing, sale and trading in billets, steel bars, wire rods, wire mesh, pre-stressed concrete bars and wires, hot-rolled steel coils, steel pipes, steel wires, and fencing panels and related products; commercial banking business and provision of related services which include Islamic banking business, real property investment, investment holding and nominee services; insurance and takaful businesses; investment banking, stockbroking business, futures broking and related financial services; nominee and custodian services; unit trust management, fund management and sale of unit trusts; property investment and development; project and property management; hotel operations; and provision of management, training and security guard services. In view of the diversity of the Hong Leong Group's businesses, it is envisaged that in the normal course of business of the MPI Group, transactions in respect of goods and/or services between companies in the MPI Group and the Hong Leong Group will occur with some degree of frequency from time to time and may arise at any time.

The Group Management And/Or Support Services are part of the shared services of companies within the Hong Leong Group. These shared services are provided in-house in order to align with the Hong Leong Group's corporate objective and management disciplines and to reduce operating cost and improve efficiency such as through economies of scale, better utilisation and allocation of resources, standardisation of processes and operating procedures and information technology. Accordingly, the Board considers it beneficial to enter into transactions in respect of the Group Management And/Or Support Services. The Group Management And/Or Support Services are carried out on commercial terms and on terms not more favourable to the related parties than those generally available to and/or from the public, where applicable, and which will not be detrimental to the minority shareholders of MPI.

- (i) the purchase of goods and other products and the receipt of Services shall be determined based on prevailing rates/prices of the same (including where applicable, preferential rates/prices/discounts accorded to a class or classes of customers or for bulk purchases) according to commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations;

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Board Audit & Risk Management Committee of the Company, in its review of the recurrent related party transactions may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers.

To monitor, track and identify the recurrent related party transactions, the following review procedures have been implemented:

- (i) A register is maintained to record all recurrent related party transactions which are entered into pursuant to the Proposed Renewal of Shareholders' Mandate.
- (ii) The Board Audit & Risk Management Committee will undertake quarterly review of recurrent related party transactions to ensure that such transactions are undertaken on commercial terms and on terms not more favourable to the related parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders and are in the best interest of the MPI Group.

There are no specific thresholds for approval of recurrent related party transactions within the MPI Group. However, all recurrent related party transactions are subject to the approval of the Heads of the relevant operating companies or such persons to whom they may delegate such power subject always to any MPI Group's policies that may be issued from time to time.

The Board Audit & Risk Management Committee will review the existing procedures and processes, on an annual basis and as and when required, to ensure that the recurrent related party transactions are at all times carried out on commercial terms consistent with the MPI Group's usual business practices and policies.

The Board Audit & Risk Management Committee of the Company has reviewed the above procedures and is satisfied that the said procedures are adequate to monitor, track and identify recurrent related party transactions in a timely and orderly manner and are sufficient to ensure that the recurrent related party transactions will be carried out on commercial terms consistent with the MPI Group's usual business practices and policies and on terms not more favourable to the related parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders. Any member of the Board Audit & Risk Management Committee who is interested in any transaction shall abstain from reviewing and deliberating on such transaction.

Disclosure will be made in the Company's Annual Report of the breakdown of the aggregate value of the recurrent related party transactions made during the financial year, types of transactions made, names of the related parties involved and their relationship with the MPI Group pursuant to the Proposed Renewal of Shareholders' Mandate in accordance with paragraph 10.09(2) and Practice Note No. 12 of the Main Market Listing Requirements.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The rationale for and the benefits of the Proposed Renewal of Shareholders' Mandate to the MPI Group are as follows:

- (i) The Proposed Renewal of Shareholders' Mandate will facilitate transactions with related parties which are in the ordinary course of business of the MPI Group and undertaken on commercial terms and on terms not more favourable to the related parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders.

- (ii) The Proposed Renewal of Shareholders' Mandate will enhance the MPI Group's ability to pursue business opportunities which are time-sensitive in nature and will eliminate the need for the Company to convene separate general meetings to seek shareholders' approval for each transaction.
- (iii) For certain transactions, where it is vital that confidentiality be maintained, it would not be viable to obtain shareholders' prior approval, as releasing details of the transactions prematurely may adversely affect and prejudice the MPI Group's interests and place the MPI Group at a disadvantage as compared with its competitors who may not require shareholders' approval to be obtained.
- (iv) The Proposed Renewal of Shareholders' Mandate will substantially reduce the expenses associated with convening of general meetings on an ad hoc basis, improve administrative efficiency considerably and allow resources to be channeled towards attaining other corporate objectives.
- (v) In respect of the Group Management And/Or Support Services, the Proposed Renewal of Shareholders' Mandate will enable the MPI Group to reduce operating cost and to improve efficiency, thereby improving business and administrative efficacy for the MPI Group.
