

CARSEM SUZHOU PRIVACY POLICY

1. Carsem Semiconductor (Suzhou) Co. Ltd (“we”, “our” or “**Company**”) respect your legal right to privacy and are committed to protecting your personal information in accordance with our obligations under the Personal Information Protection Law of the People’s Republic of China (“**PIPL**”). This Privacy Policy explains our privacy practices as to how we collect, use and store your personal information as well as your rights under these aspects.
2. This Privacy Policy is subject to change from time to time and any changes will be posted on the Company’s website at www.carsem.com.
3. In case of discrepancies between the English and Chinese versions of this Privacy Policy, the Chinese version shall prevail.

Collection and Use of Personal Information

4. From time to time we may collect personal information from individuals dealing with the Company in the People’s Republic of China (“**Relevant Person**” or “**Relevant Persons**”, or “**you**” or “**your**”, as the case may be) in connection with existing and/or proposed contracts, provision of products and/or services, and/or establishment or continuation of business/customer relationship. The types of information that we may collect may include your name, identity card number, mobile phone number, mailing and/or business address, e-mail address, and/or WeChat account.
5. This Privacy Policy applies to all personal information of Relevant Persons collected by or submitted to the Company. The purposes for which personal information relating to a Relevant Person may be used will vary depending on the nature of the Relevant Person’s relationship with the Company. Such purposes include:-
 - (i) researching, designing, launching, promoting and marketing services and products of the Company and/or its associated companies and monitoring the provision, operation and use of such services or products;
 - (ii) evaluating, negotiating, concluding and/or performing contract(s) with the Relevant Person;
 - (iii) the Relevant Person’s entry and access to the Company’s office, premises and/or factory plant;
 - (iv) complying with the obligations, requirements or arrangements for disclosing and using personal information that apply to the Company or that it is expected to comply pursuant to:-
 - (a) the requirements of any law or order issued by any legal, regulatory, governmental, tax, law enforcement or other authorities, or industry bodies or associations existing currently and in future with which the Company are expected to comply; and/or

- (b) any law binding and applicable to the Company, whether within or outside the People's Republic of China existing currently and/or in future;
 - (v) preventing, investigating, reporting or otherwise in relation to actual or suspected money laundering, terrorist financing, bribery, corruption, actual or suspected fraud including but not limited to fraud, tax evasion, evasion of economic or trade sanctions, and criminal activities generally or other unlawful activities;
 - (vi) forwarding publicity materials or other information to Relevant Persons from the Company and charitable organizations from time to time;
 - (vii) data processing and analytics, including but not limited to data mining and analysis of the Relevant Person's transactions with the Company;
 - (viii) for audit, compliance and risk management purposes;
 - (ix) administering the Company's events, competitions and promotions;
 - (x) enabling an actual or proposed assignee of the Company, or enforcer of the Company's rights in respect of the Relevant Persons, to evaluate the transaction involving the Relevant Persons which is intended to be the subject of an assignment or enforcement; and
 - (xi) for any other incidental and associated purposes relating to the above.
6. If the Relevant Person does not agree to provide the personal information as requested by the Company, such failure may result in the Company being unable to:-
- (i) execute the contract with the counterparty which the Relevant Person represents;
 - (ii) approve the entry and access to the Company's office, premises and/or factory plant;
 - (iii) fulfil its obligations under the relevant contract;
 - (iv) provide its products and/or services; or
 - (v) otherwise deal with that Relevant Person.

Sharing and Transfer of Personal Information

7. We will take all reasonable and practicable steps to keep personal information of Relevant Persons confidential, as well as to ensure the safety of the personal information that Relevant Persons have provided to us. We will not disclose or share any of the personal information of Relevant Persons to any third party except as necessary for our business needs, as required or permitted by the applicable laws or regulations and/or with your consent. If we entrust any third party service provider to process personal information of Relevant Persons on the Company's behalf, such personal information will continue to be protected by means of contracts we will have entered into with those service providers.
8. Despite our general practice of keeping personal information within the territory of the People's Republic of China, personal information of Relevant Persons may, with the consent of such Relevant Persons, on certain occasions be transferred to a place outside the People's Republic of China. If we do this personal information of Relevant

Persons will continue to be protected by means of contracts (which will be in a form approved by the competent authority) we will have entered into with those overseas recipients. The Company shall seek to ensure any transfer of personal data across jurisdictions will be afforded with such a degree of protection similar to that being afforded in the People's Republic of China.

Retention and Storage of Personal Information

9. Subject to paragraph 8 above, all personal information collected by the Company will be retained and stored within the territory of the People's Republic of China, and will be retained and stored only for so long as the personal information is necessary:-

- (i) to fulfill the purpose for which it was collected; or
- (ii) to comply with the relevant laws or regulations or as unless otherwise specified by the relevant laws of the People's Republic of China.

10. Personal information of Relevant Persons which:-

- (i) is no longer necessary for achieving the purpose of processing; or
- (ii) is the subject of a request for erasure (or withdrawal of consent) by the Relevant Person,

will be destroyed as soon as reasonably practicable by the Company.

Your Rights

11. As a provider of your personal information, you have the right:-

- (i) to request the Company to explain our rules of processing of personal information;
- (ii) to access your personal information collected and stored by the Company ("**Your Personal Information**") ;
- (iii) to request the Company to correct any of Your Personal Information which is incorrect or incomplete;
- (iv) to request the Company to delete Your Personal Information;
- (v) to request Your Personal Information be transferred to any personal information processor designated by you (where conditions under the PIPL are met);
- (vi) to restrict our processing of Your Personal Information; and
- (vii) to the extent that you have given us consent to collect or process Your Personal Information, to withdraw your consent.

For the avoidance of doubt, in the event that you withdraw the consent previously given to the Company, such withdrawal shall not affect the lawfulness of any processing of Your Personal Information carried out by the Company prior to your indication for withdrawal of the consent.

12. To the extent permitted by law, we may charge a reasonable fee for processing any data access request.
13. You can make a request or exercise any of the above rights by contacting the Company at jonsonna@carsem.com.

Contact us

14. If you have any questions or comments about our Privacy Policy, please email us at jonsonna@carsem.com.

The Carsem Suzhou Privacy Policy (“Policy”) explains Carsem Semiconductor (Suzhou) Co. Ltd (“Company”) privacy practices as to how the Company collect, use and store personal information of individuals dealing with the Company in the PRC as well as their rights under these aspects and applies to personal information of the individuals provided to and/or collected by the Company. A copy of the Policy is available on www.carsem.com or upon request. Please read the Policy, complete, sign and return this Acknowledgement to the Company.

ACKNOWLEDGEMENT FOR HANDLING PERSONAL INFORMATION

1. I confirm that I have read and understood the Policy and acknowledge that the Company will collect and store my personal information such as my name, identity card number, contact details including email address, phone number and correspondence address and/or WeChat account (“**Personal Information**”) for the purpose of negotiating, concluding and/or performing the contract with myself or the company that I represent, approving my entry and access to the Company, and/or such other purposes as set out in the Policy.
2. I acknowledge that the contract containing the Personal Information (“**Transferred Information**”) may be shared with the Company’s associated companies located outside of the People’s Republic of China for document review and internal processing. I also acknowledge that I may make a request or exercise any of my rights under paragraph 11 of the Policy in respect of the Transferred Information by contacting the Company at jonsonna@carsem.com.

I hereby confirm that:-

- I **consent / do not consent** * to the Company collecting the Personal Information for the purposes as set out in paragraph 1 above. I understand that if I refuse to give consent the Company may not be able to fulfil its obligations under the relevant contract or to proceed with execution of the contract intended to be signed with the company that I represent.
- I **consent / do not consent** * to the Company sharing the Transferred Information for the purposes as set out in paragraph 2 above. I understand that if I refuse to give consent the Company may not be able to fulfil its obligations under the relevant contract or to proceed with execution of the contract intended to be signed with the company that I represent.
